Dear Professor Jean-Pierre Demailly

On behalf of the *Division of Natural Sciences Academic Works of Higher Education Press*, I would like to invite you as a member of the Editorial Board of the Book Series on "Surveys of Modern Mathematics", co-published by Higher Education Press and International Press (Boston). Herein, I would like to warmly welcome you as an international advisory editor to serve this book series.

I look forward to working with you. In recognition of your contributions, Higher Education Press will provide a copy of all books in series once published. If you need any help or assistance, could you please feel free to contact Professor Lizhen Ji or Ms. Liping Wang as enclosed ?

With best wishes

Mei Lin  
Director of Division of Natural Sciences Academic Works  
Higher Education Press
