§ 1 Rights Granted

The copyright to the Contribution identified above is transferred to Springer-Verlag Italia Srl (hereinafter called Springer). The copyright transfer covers the sole right to print, publish, distribute and sell throughout the world the said Contribution and parts thereof, including all revisions or versions and future editions, in all forms and media of expression – such as in its electronic form (offline, online) – now known or developed in the future, as well as to translate, print, publish, distribute and sell the Contribution in any foreign languages and throughout the world.

Springer will take, either in its own name or in that of the Author, any necessary steps to protect these rights against infringement by third parties. It will have the copyright notice inserted into all editions of the Work according to the provisions of the Universal Copyright Convention (UCC) and dutifully take care of all formalities in this connection, either in its own name or in that of the Author.

If the Author is an employee of the U.S. Government and performed this work as part of his employment, the Contribution is not subject to U.S. copyright protection. The Author transfers the publishing rights to Springer to the extent transferable.

The Author retains the right to republish the Contribution in any collection consisting solely of the Author's own works without charge and subject only to notifying Springer in writing prior to such publication of the intent to do so and to ensuring that the publication by Springer is properly credited and that the relevant copyright notice is repeated verbatim.

The Author may self-archive an author-created version of his Contribution on his own website and his institution's repository, including his final version; however he may not use the publisher's PDF version which is posted on www.springerlink.com. Furthermore, the author may only post his version provided acknowledgement is given to the original source of publication and a link is inserted to the published article on Springer's website. The link must be accompanied by the following text: "The original publication is available at www.springerlink.com".

The Author warrants that the Contribution is original except for such excerpts from copyrighted works (including illustrations, tables, and text quotations) as may be included with the permission of the copyright holder thereof, in which case(s) the Author is required to obtain written permission and to indicate the precise source. Springer has the right to permit others to use individual illustrations within the usual limits. The Author warrants that the Contribution has not heretofore been published in whole or in part, that it contains no libelous statements and does not infringe on any copyright, trademark, patent, statutory rights or proprietary rights of others; and that he will indemnify Springer against any cost, expenses or damages for which Springer may become liable as a result of any breach of this warranty.

§ 2 Delivery of the Contribution and Publication

The Author agrees to deliver to the responsible Editor(s) on a date to be agreed upon the manuscript created according to the Instructions for Authors.

§ 3 Author's Discount

The Author is entitled to purchase for personal use (directly from Springer) books published by Springer at a discount of 33 1/3% off the list price. Resale of such books is not permitted.

§ 4 Entire Agreement

This agreement shall be deemed to be made under and shall be interpreted in accordance with the laws of Italy.

The Corresponding Author signs for and accepts responsibility for releasing this material on behalf of any and all Co-Authors.
