

F4::Monomial

```
graph BT; A[F4::MonomialArray] -.->|_monomialArray| B[F4::Monomial];
```

The diagram illustrates a relationship between two classes. At the bottom is a gray box labeled 'F4::MonomialArray'. A dashed purple arrow points upwards from this box to a white box at the top labeled 'F4::Monomial'. To the right of the arrow, the text '\_monomialArray' is written, indicating the method used for the inheritance or transformation.
